Earliest memory of cycling?

Enjoying the freedom to travel independently to visit friends and family especially during the school summer holidays.

What would you say to a school thinking about participating in Bikeability Scotland?

Give your pupils the opportunity to participate and learn an essential life skill. Many of our Orkney schools have accessed Cycling Scotland's Support Plus funding which supports the purchase of pool bikes to make cycle training inclusive to all.

Best Bikeability Scotland moment?

Watching pupils having fun on their bikes and gain confidence and ability as they progress through the programmes.

Most likely to be heard saying....

"Fingers crossed for good weather"
